Plot In 2000, Prabhu (Vimal), a man from an affluent family, dreams of owning his own business. Prabhu, however, does not possess a hobby or a passion for anything, and since he is unable to balance his business and personal life well, his mother fixes an alliance for him. The arranged couple are Rama (Sathyaraj), an ageless and quiet don, and Aditi (Anjali), a prominent businesswoman. Prabhu ignores Aditi and loves Rama, who is shown to be a very polite and obedient man. The brothers of Prabhu witness Rama's courtesy, and they develop a lot of respect for him. Because of this, they get in touch with Rama and offer their assistance in his business. During the ensuing years, Rama and Prabhu become firm

friends and he soon develops a liking for Aditi. Aditi, however, falls in love with Prabhu, who pretends to return her love and desires to marry her. She plans to get her parents' approval on a proposal, but he gives her a bad impression by his disrespect and rudeness. Rama, who has been continuously trying to woo her for Prabhu, helps Aditi in getting Prabhu's parents' consent, by telling them about the bad character of their son. After Prabhu's parents reject the proposal, Aditi's family later arranges a marriage to another man. Later, the brothers of Prabhu try to arrange a second proposal, but he denies any interest in her and decides to live with Rama and Aditi, who do not show any resentment towards him. Rama makes it known to his friends and business associates that Prabhu is his brother, and that his marriage with Aditi is an arranged one. Later, Prabhu finds out about the situation and requests Rama to have an arranged marriage with Aditi. Rama refuses, and Prabhu instead ends up marrying another girl, without telling Aditi. Aditi asks Rama to take good care of Prabhu's mother, who is a constant source of agony for him 82157476af
